

Privacy Policy of Scientific Journal *Irrigation and Drainage*

The International Commission on Irrigation and Drainage (ICID) with its Central Office based in New Delhi, India publishes its scientific Journal *Irrigation and Drainage* based on an Agreement with the publisher M/s John Wiley & Sons, Inc (UK).

The publisher has developed a privacy policy for its activities that recognizes the importance of protecting the personal information collected from users in the operation of its services and taking reasonable steps to maintain the security, integrity and privacy of the collected information (see: <https://www.wiley.com/en-us/privacy>). ICID submits on an annual basis information on members of its National Committees or direct members to M/s Wiley in relation to the special ICID member subscriptions that have been agreed upon with M/s Wiley. With respect to this, ICID consents to the practices described in the privacy policy of M/s Wiley. In addition, although not yet formulated in a formal policy, it has always been ICID's own practice, as it will be in future as well, not to use the data of members of its National Committees and of direct members for other purposes than where the data are intended for. In case of its Journal *Irrigation and Drainage*, this is just to enable M/s Wiley to provide the ICID members with access to the Journal, either by online access and/or by provision of printed copies.

The information that is collected concerns only the contact data of the individuals and institutions that are entitled to receive *Irrigation and Drainage*, either by online access, or in print. ICID's Central Office collects these data by sending, on an annual basis, the draft lists of the potential subscribers to the secretariats of its National Committees with an invitation to check them and to inform ICID's Central Office on any corrections that are required. The revised list is then submitted to M/s Wiley.

The first occasion to formalise the existing practice in a formal policy will be during the next International Executive Council (IEC) meeting that will be held during August 12-17, 2018 at Saskatoon, Canada. The draft policy, based on the existing practice as outlined above, will be placed on the Agenda of the relevant meetings at Saskatoon as above.
