# Irrigation and Drainage

Published on behalf of the International  
Commission on Irrigation and Drainage (ICID)

JOINT EDITORS:

Kristoph-Dietrich Kinzli, P. E. and  
Prof. Hector M. Malano, PhD, MSC

## Good Reasons to Subscribe to *Irrigation and Drainage*

- **Official journal of the International Commission on Irrigation and Drainage (ICID)**
- **Specialised international publication** publishes papers on all scientific, engineering, environmental and socio-economic issues associated with irrigation, drainage and flood management
- **High quality content** maintained through a peer-review system
- **Five regular issues each year** plus extra supplementary material *free of charge*
- **Accessible online at more than 4000 institutes worldwide**
- **Authors Services** track your articles through production and select 10 colleagues to receive free online access to your article
- **Online and print journal** access to content published online in advance of the print issues
- **CrossRef links** allows researchers to move from a reference directly to another article in another publication from the journal content online

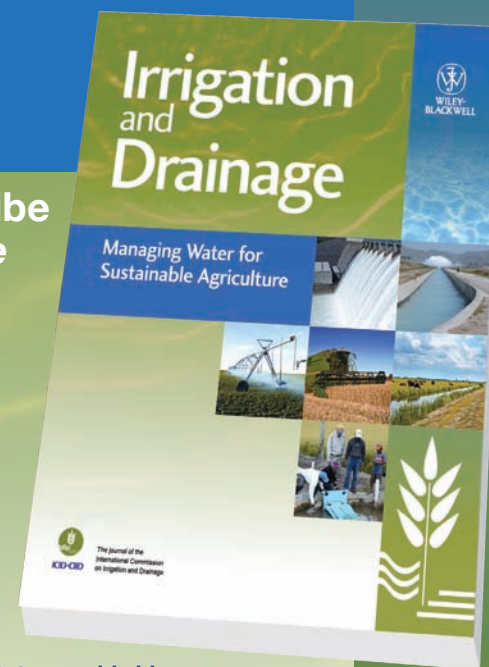

**Recommend *Irrigation and Drainage* to your Librarian today!**
