

WATSAVE AWARDS 2014

Conditions and Criteria

1. Preamble

ICID launched its Global Water Saving (WatSave) program by setting up the WatSave Work Team (WT-WATS) in the year 1993 with the objective of promoting and recognizing water conservation success amongst member countries. ICID has been compiling and disseminating information on water saving/conservation practices adopted by member countries world over through publications, website and organizing regional workshops. As a part of the WatSave activities, ICID instituted WatSave Awards in the year 1997. The award(s) are presented each year to an individual or a team of individuals for **OUTSTANDING CONTRIBUTION** to water conservation/water saving for increasing the beneficial and/or efficient use of water to develop and improve the sustainable use of the critical resource. The WatSave Awards 2014 will be made during the **65th meeting of the International Executive Council to be held in September 2014 at Gwangju, Republic of Korea.**
